SPONSOR – GAZPROMBANK

КАТАЛОГ
CATALOG

It will provide information on new, previously developed and upgraded Russian-made weapons and military equipment, both being in service and intended for export.

The Catalog will contain the following sections: armaments and military equipment for Land Forces, Air Force and Air Defense Forces, Navy, and ammunition (including non-lethal ones).

The book will be presented at Russian and international exhibitions.

Release date December 2011
